

RIVERFEST

PAST.PRESENT.FOREVER.

JUNE 28 – 30, 2024

COLUMBIA & WRIGHTSVILLE, PENNSYLVANIA

Riverfest commemorates the burning of the Columbia-Wrightsville Bridge during the Civil War. On the last Sunday in June 1863, locals prevented Confederate troops from crossing the river and moving toward Harrisburg or Philadelphia by burning the longest covered bridge in the country. Confederate troops were forced to turn back and just three days later the Battle of Gettysburg erupted.

Riverfront activities will take place to celebrate the Susquehanna River’s place in America’s history; showcase our river’s recreation opportunities; and learn how to protect the river for generations to come. Events include the Bridge Burner Run & Kayak Race, Recreation Expo, Ignite Live Music Concert, & Lighting of the Bridge Piers! The following sponsor opportunities exist for those that would like to help river towns economy grow through recreational and heritage tourism. Proceeds benefit Susquehanna National Heritage Area (SNHA) and heritage partners in the river corridor.
